Dear Vimansa,

Please find the Payment Structure for the PCJT Software Engineer Degree programme below. There are three payment options available,

- Option 1 - Full Payment
- Option 2 - Yearly Payment
- Option 3 - Semester Payment

Initial Payment Timeline

Payment 1 - Minimum Rs. 20,000 of the payment option on or before 5th of December 2024

Payment 2 - Minimum Rs. 50,000 of the remaining payment option by 11th of December 2024

Payment 3 - The remainder of the payment option by 25th of December 2024

Special Note :

*After 31st of December 2024, 1% interest will be added per week to the invoiced amount. If the selected payment option is not completed by 30th of January 2025, the scholarship will expire. If you are unable to complete the payment by deadline date, a late penalty payment will be added.

*Please note that any payment made to Java Institute is non-refundable and non-transferable fully or partially under any circumstance.

*At the time of payment, the International University Registration Fees is subject to change depending on the national economy and/or university regulations.

*The student has the opportunity to select an available university for certification during the 3rd year when doing the payment for the International University Registration Fees.

Contact your Academic Officer, Mr Isuru Ranasingha on 070 62 00663 for any further clarifications or inquiries.
